

Health and Safety General Policy Statement

The directors of Provalve Ltd are committed to providing, so far as is reasonably practical, a safe and healthy working environment for their employees, their clients and any other persons who may be affected by the companies work activities.

This commitment is in compliance with the requirements of the Health and Safety at Work Act etc: Act 1974 and all other health and safety legislation.

Such commitment must benefit all concerned and the management request the co-operation of all employees to assist them in maintaining a safe and healthy workplace and to use their best endeavours to actively promote health and safety within our organisation.

It is the policy of Provalve Ltd to provide adequate and relevant information, instruction and training for all employees and to inform any other persons of the risks arising from our company's activities.

As the person ultimately responsible for health and safety in our company, I give my assurance that so far as reasonably practicable, all health and safety related matters referred to me will receive due consideration.
